

SCLI NEWS

The week at school

I hope everybody got to enjoy some of the lovely weather over the weekend. Thanks so much to those of you who took your host daughters away. These trips will form a special part of the memories of her year in NZ. A reminder to please let school know if your host daughter is taking a SCLI friend with her as it is important we know where all our students are.

All classes have made great progress writing their plays for the Christmas concert. Tomorrow students will start a research project in the afternoon class. In pairs students will choose a world issue, do research and present their findings in a power point presentation. Whilst host families are welcome to help their host daughters with their project, it is important that your help is in an advisory capacity as it is important the work remains the students' own.

Students are looking forward to the Halloween party this Friday. They will be able to stay after school, get dressed up, play a few games and have dinner. Please give your host daughter \$7.00 for this. The party will finish by 8pm. Please discuss transport home with your host daughter.

Enjoy the rest of your week,

Lisa
