

# SCLI NEWS

Summer Term No 3

February 5, 2020

## The week at school

I hope everyone coped with the recent hot weather that seems to coincide with being back at school. The heat pumps/ air conditioners we installed at SCLI about a year ago are appreciated in the classrooms especially in the afternoons although students always seem to favour a slightly warmer temperature than the rest of us!

Two classes have completed Test 5 this week and Orchids will sit this test next week. In the afternoon class the NZ History topic continues and as mentioned in last week's newsletter, students will spend this Friday at Ferrymead Historic Park learning about the life of the early settlers in Canterbury. Students will need a lunch that does not need reheating. They will be finished at 2.00pm (not 2.30pm as stated in last week's newsletter) and a bus will take them back to the City Bus Interchange. Be sure to ask your host daughter about this visit as it is great review for the upcoming exams.

Enjoy the rest of your week,

*Lisa*

## For students

### Duty girls

Whose turn is it for kitchen duty from tomorrow?

Broadcasting students: please check the board for dates you are recording.

### Visit to Ferrymead: this Friday

The bus will leave school at 9.30 a.m. A bus will take you back to the City Bus Interchange at 2.00pm. You will need your lunch (something you do not need to re-heat), a drink, a hat, sunscreen, a camera and sensible walking shoes. Check the weather forecast on Thursday night/ Friday morning as the long-range forecast is for rain with a high of 19.

- Who will not be attending Ferrymead?
- If you will not be travelling by the school bus to Ferrymead, please collect a map from Lisa showing you where to meet in the morning.

### AWL

The final vocab list (10) is on the table outside of Opals' classroom. This list has only 30 words! When shall we have the test for this?

### Photos of school outings

There are no photos of the visits to Orana Park or the Antarctic Centre. If you have some good ones, please airdrop them to Lisa.

### SCLI promotional video.

Each year this video needs to be updated.

If you would like to help with this, please see Lisa. It will be filmed after exams.

SCLI is now on Instagram so check out the photos and feel free to follow!

\*\*This term the school will close at 4.30pm each day. This is so the school can be cleaned.

## For host families

- We let all families know whether or not they will be hosting by email yesterday. If you have not received an email, please let us know.
- For those families with children at school I am sure you have received information about the coronavirus. SCLI has been receiving updated information from NZQA about the situation. Whilst SCLI has a pandemic plan, it is not necessary for us to action it at this time. However if the situation changes, you will be informed. If you are hosting another student who has come from / travelled through China recently I trust you are taking advice from the school/ institution they are enrolled at. Please also let SCLI know.
