Summer Term No 4

February 12, 2020

## The week at school

The weather co-operated last Friday so that the school could enjoy the visit to Ferrymead in comfortable conditions. The hands-on education programme offered there is very good with the Ferrymead staff getting into role as teacher/store owner/lady of the house. I hope your host daughter has told you about her visit and that you have had a chance to check out the photos on Facebook.

This topic has finished and from now in the afternoons classes will be doing exam preparation. Exams start on Friday next week and students are not to take time off to travel during the examination period. Sleepovers are also not a good idea at this time.

Students have been told about the exam schedule and what to expect in the exams, so there should be no surprises.

The month is flying past fast and graduation will be upon us in no time. Please fill in the form regarding graduation night at the bottom of this newsletter and return it to school.

Enjoy the rest of your week,

*Lisa*
